THE REPUBLICAN STATE TICKET AND PLATFORM.

The Republican State Convention has done its work and done it well. It has presented to the people a tacket and platform upon which every Republican can heartily unite The platform is fully up to the re quirements of the times, and just been wanting for many years. There note sounds sharp and clear. It is written in such plain English that there can be but one construction. In short the party reaffirms the cardiand the character of the men nomi | therefore be conceded. nated is the best evidence that it will

be lived up to in its entirety. NOMINEE FOR CONGRESS R M Daggett is the nominee for Congress. Probably no man in the State is so well known as Daggett His name is inseparable from the Enterprise. He is acknowledged the best newspaper writer on the coast.

He is a man among men, a giant in intellect, sharp in debate, has a great warm heart, and as a Republican stands at the head of the list. No man is entitled to more from the people of this State. He would be a representative of the whole State. No corporation collar covers his neck, nobody can justly claim him for their own man. He does his own thinking, his own talking, and Right is always uppermost in his mind. It is of vast importance to the country that mea of Daggett's stamp should be in Congress. The Nation will be majority should be as large as possi-

GOVERNOR KINKEAD.

We call him Governor, for John H. Kinkead is certain to be at the head of Executive affairs of this State for the next four years; possibly eight. A man of solid worth and in tegrity; a plebeian, yet bright in all honest and capable; warm hearted and generous to a fault; true to his friends; a pioneer of the country; a laboring man; one who believes that receiving and entertaining State visiwithout money, in fact poor in this world's goods, yet rich in mind and DISTRICT JUDGE. mostly a clerical one, yet connected to it are important duties which demand that the position shall be filled by one who is fully capable. Babcock is the man.

STATE TREASURER.

L. L. Crockett, of Renc, is the nominee for State Treasurer. The Convention has our thanks for this compliment. Mr. Crockett is a strong man for the position. He is not only a strong man but a good man, and he will have no trouble in giving the necessary bond, even though a million dollars should be required. Mr. Crockett has been identified with the State from its infancy; has held many positions of public and privated trust, and has a record second to no other man in the State. We wonch for him as being as good a custodian of the Treasurey as goold be selected. for him as being as good a custodian of the Treasury as could be selected, and we hope his majority will be 5,000.

Hon. Thos. P. Hawley, the present

Chief Justice of our Supreme Court, was complimented with the nomina tion by acclamation. If there is one man above another who is the people's candidate that man is Tom Hawley. And if he should be elected Governor of Massachusetts in opposition to two great parties, it will er to make the Patent Olice an indebe one of the most remarkable incidents in our political history.
